Don't think I've forgotten the last time you was in 'ere! You're barred, guv!

CRUNCH!!!

Time for a good, old-fashioned cockney knees up

Oi! No fighting in my pub!

You didn't get this binge-drinking in our day

She's yours

No. You saw her first

And there was no such thing as happy hour when drinks cost more than your wages

I'd like an Andy Reid special please...

Certainly Sir...

I 'ate that crazy frog

Huh?

WHY NOT TRY OUR COCKTAILS?

Ring, ding, ding, ding, da, da, da...
